Mexican lager. With its approachable and flavourful profile, brewed with a generous serving of corn, it's a testament to the rich brewing heritage of Mexico.

Pale Ale 4.4%

9 / 12.50 / 15

A showcase of vibrant Australian hop flavours. It balances tropical fruitiness with a clean malt profile, offering a sessionable and flavourful drinking experience. Perfect for those who enjoy hop-forward beers with a focus on bright, fruity hop characteristics with a refreshing finish.

London Ale 4.3%

8.50 / 12.50 / 14

A true classic of brewing heritage. Notes of caramel and biscuits mingling with earthy noble hops. It's as smooth as a London cab ride. A classic Best Bitter with timeless charm.

Caribbean Stout (Tropical Stout) 7%

9.50 / 13.50 / 16

Refreshing Rhythms and Island Vibes. A stout perfect for the Sunshine Coast! Tropical Stout is fuller bodied, sweeter, fruitier and with a smoother roast character than a Foreign Extra Stout. Originally developed in the Caribbean and other tropical climates during the 19th and early 20th Centuries to cater for the local taste preferences. It was heavily exported from Britain to the colonies in the Indies. A similar but less famous story as the popular India Pale Ale (IPA.)
